How to Reach the Island of Ischia and the San Lorenzo Hotel and SPA

The connections to Ischia are guaranteed by various companies of Ships and Ferry -boats . you can embark at the following ports: Pozzuoli, Naples Beverello, Naples Porta di Massa .

Pozzuoli is reached by the Naples ring road , exit Via Campana . From this port, there is just the ferries Medmar Caremar of Ischia Porto or Casamicciola . The crossing takes about 1 hour . And ' possible to take a motor vehicle or motor vehicle for non-residents in Campania .

The Beverello Harbour, Porta di Massa are in the Commercial Port of Naples , the two moorings seem close , but they are not really so close, if you have to carry your luggage to walk from one pier to another.

The hydrofoil takes about 50-60 minutes to reach the island . Ferries approximately 1 hour and 30 minutes.

The ports of the Island of Ischia

The main port is located in the town of Ischia Porto , most of the hydrofoils and ferries dock in this porto. The nearest harbors are those of Casamicciola and Forio. But these ports are served by a small number of hydrofoils and ferries.

The timetable of the hydrofoil and ferries .

Departure times undergo seasonal variations and other changes due to weather sea. We recommend that you always check the website of the shipping company chosen to verify the smooth start of the ship .

This road passes through the center of Lacco Ameno (which is more busy) then, up the hill of San Lorenzo, leaving on the right before the road that leads to San Montano Resort, then the road down to the beach of Saint Montano.

After a couple of curves do you find the intersection is located at the San Lorenzo.

If the pedestrian center is closed, you should immediately take the SS270 in the intersection (looking at the pedestrian promenade is on your left uphill). Follow the road to the right when you are in front of the junction with the provincial road-lacco were sorry, and you will arrive in front of the St. Lorenzo.
